FURNITURE COLLECTION

EICHHOLTZ

---

It is my great pleasure to introduce to you the Eichholtz Furniture Collection Book Volume 5 that reflects on our creative journey.

Almost everyone speaks of a typical 'Eichholtz style' but in my opinion there is no one particular style that defines our work. Although we work with a central idea, we always set different, innovative and dynamic goals when we create a new collection. International borders have not restricted us from finding and sourcing the finest of the finest. We travelled across the globe and this book shows you where our travels have taken us. According to Diana Vreeland, "The eye has to travel" and I couldn't agree more.

Our comprehensive new collection is divided over three inspiring books: Furniture, Lighting and Accessories. We hope you will enjoy meandering through the pages of these Eichholtz Inspiration Books as much as we enjoyed creating it.

THEO EICHHOLTZ

A handwritten signature in gold ink, reading "Theo Eichholtz". The signature is fluid and elegant, with a large, stylized 'T' and 'E'.

## ABOUT EICHHOLTZ

Eichholtz is a business-to-business wholesaler of luxury furniture, lighting and accessories with a unique design. We aim to continuously inspire the interior design industry with our extensive collections.

### Large stock & worldwide shipment

Having a warehouse of over 35,000m<sup>2</sup> with 95% of the Eichholtz collection in stock means our products can be shipped or picked up immediately upon ordering. Our Supply Chain Department ensures that all orders are swiftly processed, systematically checked on quality and comprehensively prepared for transportation to the place of delivery. Whether your business is located in Europe or overseas we understand and embrace international differences and we have the suitable logistic capabilities and partnerships to ensure operations run smoothly.

### Grand showroom & premium service

At the Eichholtz HQ, we offer an expanded inspiration centre of over 4,000m<sup>2</sup> spread over more than 40 tastefully decorated rooms. This is where the Eichholtz vision is brought to life. In addition, we offer an

outlet and two restaurants with a panoramic view over the flower fields. Our styling team and 3D designers can transform your interior design project into 3D reality to give a 360° preview of the desired result.

### High visibility & tangibility

Eichholtz attends all distinguished interior design fairs in order to showcase new collections. To name a few: Maison & Objet (Paris, France), Salone del Mobile (Milan, Italy), Decorex International (London, UK), iSaloni WorldWide (Moscow, Russia), High Point Market (High Point, NC, USA) and Ambiente (Frankfurt, Germany). All in-house events have a personal character because they are invitation-only events. These are organised to bring together designers, architects, retailers and hoteliers. These events are an excellent opportunity to network and to get inspired.

## PETRIFIED WOOD

LITERALLY “WOOD TURNED INTO STONE”

Petrified wood is the result of trees that have completely transitioned to stone by the process of permineralization. This process occurs underground, when wood becomes buried under sediment or volcanic ash and is initially preserved due to a lack of oxygen which inhibits aerobic decomposition. All the organic materials have been replaced with minerals while retaining the original structure. All pieces are unique and vary in colour and shape.
